Items in this auction are all sold as seen and without warranty, which means there is no guarantee of the following (but not limited to): condition, working condition, description, volumes, hours, mileages, testing, condition reporting, mechanics, electrics, bodywork, parts, spares, paperwork, completeness or fitness for use.

Condition reports are prepared on the "Inspection Date" and it is entirely possible that an item's condition or working ability may change after the date we have inspected it. Brightwells do not accept any responsibility for errors, misstatements or omissions within the condition report. Any repair and refurbishment prices are estimates only. Some parts may be missing from the item and if the item is described as not working or a non-runner, this is highly likely. We strongly advise that prospective buyers come to our site and view the items.
