3. Description of MOD Assets

- 3.1 For vehicles offered for sale on behalf of the UK MOD as a surplus military asset:

Brightwells

Est. 1846

- 3.1.1 the prospective buyer must familiarise themselves of its roadworthy condition (all MOD Assets are **SOLD AS SEEN**) and ensure that its continued use complies with up to date highways regulations;
- 3.1.2 previously MOD granted crown exemptions are not transferable and its continued use will be subject to the appropriate approval;
- 3.1.3 the absence of any official approval may make it illegal to be operate on public roads; and
- 3.1.4 the vehicle may need alteration or modification to make it lawful for civilian use.
- 3.2 The Catalogue contains details about each MOD Asset. The description contained in the Catalogue, which may be online, is given by the MOD. Mileage is correct at time of cataloguing.
- 3.3 Photographs, illustrations and diagrams contained in the Catalogue are for identification purposes only. They may not show the true condition and colour, (which may be inaccurately reproduced) of the MOD Asset.
- 3.4 Any potential Bidder must satisfy themselves as to each and every aspect of the MOD Asset, including, but not limited to, its condition, age, quality and roadworthiness. No description of a MOD Asset carries with it an implication that it is fit for any particular purpose.
- 3.5 MOD Assets are sold to the Buyer on an "as is" basis, with all faults and imperfections.
- 3.6 Due to the nature of classic vehicles, the actual condition of a MOD Asset may not be as good as its outward appearance suggests. In particular, parts may have been replaced or renewed. Given the age of some Lots, no assumption should be made with regard to any aspect of their condition and the Buyer should carry out his/her own due diligence in respect of any MOD Asset.
- 3.7 Any person who physically interferes with, scratches or damages the Lot in any way (before or after the Auction) will be held liable for the loss so caused.
- 3.8 The Seller is responsible for delivering the MOD Asset in a presentable condition. If additional cleaning is required, it will be charged for by Brightwells to the Seller.
- 3.9 Certain MOD Assets may be subject to U.K. or other governments' restrictions, which may affect transfer within the U.K. or export from the U.K., details of which will be communicated to the Buyer in the Catalogue. The Buyer will be required to sign a declaration that they have understood these restrictions.

4. Export licence

- 4.1 Before an MOD Asset can be released to the Buyer, the Buyer must provide a copy of its export licence, or similar, as required. All Buyers must appoint a suitably qualified U.K. shipping agent when applying for an Export Licence.
- 4.2 The Buyer warrants to Brightwells that it has undertaken the appropriate steps to obtain the appropriate export licence before collecting the MOD Asset.
- 4.3 The Buyer shall indemnify Brightwells against any liability, costs, claims, losses or damages that may arise as a result of the Buyer's failure to comply with export regulations and requirements.

5. Liability

- 5.1 Any MOD Asset is sold as a collector's item and not as a means of transport. Buyers are specifically warned that any MOD Asset sold may well have had parts replaced and paint renewed or be made up of parts from other vehicles the condition of which may be difficult to establish. Brightwells has to rely on information as to date, condition and authenticity provided by Sellers and does not, and cannot, undertake its own inspection of vehicles or other Lots to establish whether the vehicle or other Lot conforms to the description in the Catalogue. It is the responsibility of the Buyer to carry out such inspection as he/she thinks necessary.

Brightwells

Est. 1846

- 5.2 No warranty is given by Brightwells as to the accuracy of the description of any Lot in any Catalogue or any announcement made by the Auctioneer or as to the age, authenticity, suitability, provenance, attribution, origin, condition, fitness for purpose, merchantable or satisfactory quality of any Lot or roadworthiness of any MOD Asset.
- 5.3 All successful Buyers will be required to provide proof of identity (i.e. an in-date passport), as a means to demonstrate they are the bona fide individual or representative of the company who has purchased an MOD Asset.
- 5.4 The Buyer's Premium shall be added to Hammer Price and is payable by the Buyer immediately upon completion of the sale in accordance with our General Conditions of Sale.

6. Payment of Sale Proceeds

Brightwells reserves the right not to remit the Sale Proceeds to the Seller unless the Seller has deposited with Brightwells the V5 or V5C registration document in the case of a UK registered vehicle or, in the case of a non-UK registered vehicle, the appropriate documents of title relevant and appropriate to the country of registration of the vehicle, and any other documentation relating to the vehicle in the Seller's possession or control which he/she agreed with Brightwells to supply.

- 8.6. If Your Bid is accepted as the highest Bid by the Auctioneer or Your Bid is the highest Bid when the Lot closes, but the Reserve has not been met (i.e. Your Bid is lower than the Reserve) the Auctioneer may at his absolute discretion allocate the Lot as Provisionally Sold. The relevant provisions of the ‘Conditions of Sale’ will apply to the contract for sale between You and the Seller, as well as Your obligations to Us and vice versa.

- 11.3. The Online Auction Fee becomes payable upon a contract for sale being concluded under (as relevant) condition 8.5 or 8.6 to 8.10 above.
- 11.4. The Online Auction Fee is due at the same time that You are liable to pay for the Lot, as provided for by Our 'General Conditions of Sale'.
- 11.5. We reserve the right to change Our Online Auction Fee from time to time. Any changes will be advertised on Our Website and will only apply to auctions that commence on the day after the change in Online Auction Fee was first advertised.

- 13.1. If You are a consumer, in accordance with the EU Consumer Rights Directive and habitually reside in the European Union and the Seller is not a consumer (as identified in the Catalogue), You have the right to cancel the contract for the purchase of a Lot, within 14 calendar days without giving any reason.
- 13.2. The cancellation period will expire after 14 calendar days from the day on which You, or a third party (other than the carrier and indicated by You) acquires, physical possession of the Lot.
- 13.3. To exercise the right to cancel You must inform Brightwells, which is offering to sell the Lot as agent for the Seller, of Your decision to cancel this contract by a clear statement (e.g. a letter sent by post or e-mail). You may use the model cancellation forms available on Our Website, but it is not obligatory. To meet the cancellation deadline, it is sufficient for You to send Your communication concerning Your exercise of the right to cancel before the cancellation period has expired.
- 13.4. For the avoidance of doubt, the above conditions 13.1 - 13.3 apply to Classic Motoring Auctions ONLY and do not apply to Our other Auctions where Buyers must register as a trade buyer acting in the course of their trade, and not as a consumer ("Trade

Brightwells

Est. 1846

Auctions”). For such Trade Auctions, the Buyer agrees to the terms described therein at the point of registration. Trade Auctions include but are not exclusive to: 4x4s, Cars and Vans; Wine; Plant & Machinery; Fodder; H.M. MoD Assets.

14. Effects of cancellation – Applies to Buyers in Classic Motoring Auctions ONLY

- 14.1. If You cancel the contract, We will reimburse to You all payments received from You, including the costs of delivery but not any extra costs arising if You chose a type of delivery other than the least expensive type of standard delivery offered by Us; or any import duties We incur as a result of You returning the Lot to Us.
- 14.2. If You cancel the Contract, You must return the Lot and all other parts, documentation or items provided as part of the Lot, in the same condition as received. We may make a deduction from the reimbursement for loss in value of any Lots supplied, if the loss is the result of any unnecessary handling by You.
- 14.3. We will make the reimbursement without undue delay, and not later than:
 - 14.3.1. 14 calendar days after the day We receive back from You any Lot supplied; or
 - 14.3.2. (if earlier) 14 calendar days after the day You provide evidence that You have returned the Lot.
- 14.4. We will make the reimbursement using the same means of payment as You used for the initial transaction, unless You have expressly agreed otherwise; in any event, You will not incur any fees as a result of the reimbursement. We may withhold

reimbursement until We have received the Lot back, or You have supplied evidence of having sent back the Lot, whichever is earliest.

- 14.5. You shall send back the Lot or return it over to Us at such address as We may specify for the purpose, without undue delay and, in any event, not later than 14 calendar days from the day after on which You communicate Your cancellation from these Terms to Us. The deadline is met if You send back the Lot before the period of 14 calendar days has expired. You will have to bear the direct costs of returning the Lot. If We arranged for the Lot to be delivered, We estimate that the cost returning the Lot by the same means is likely to be similar to the cost of delivery, but it is not possible for Us to be more accurate as to this cost. You are only liable for any diminished value of the Lot resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the Lot.
- 14.6. For the avoidance of doubt, the above conditions 14.1 - 14.5 apply to Classic Motoring Auctions ONLY and do not apply to Our other Auctions where Buyers must register as a trade buyer acting in the course of their trade, and not as a consumer (“Trade Auctions”). For such Trade Auctions, the Buyer agrees to the terms described therein at the point of registration.
